Ports

~6,800
Locomotives

~36,500
Employees
(as of 12/31/2024)

At BNSF Railway, our enduring commitment is to make a positive impact by supporting the American economy and being the best transportation partner. We continue to support our customers, our communities, our environment and our BNSF team members as we remain dedicated to growing our business and delivering the supply chain solutions our customers need to succeed.

SAFETY

We always prioritize the safety and well-being of our team members, the people in the communities where we operate and our customers' freight.

Reportable rail equipment incidents decreased **25 percent** in 2024.

We have achieved **1,000+ days without injury** at both our Hobart and Fresno facilities.

99.99% of BNSF hazmat shipments reach their destination without a release caused by a train incident.

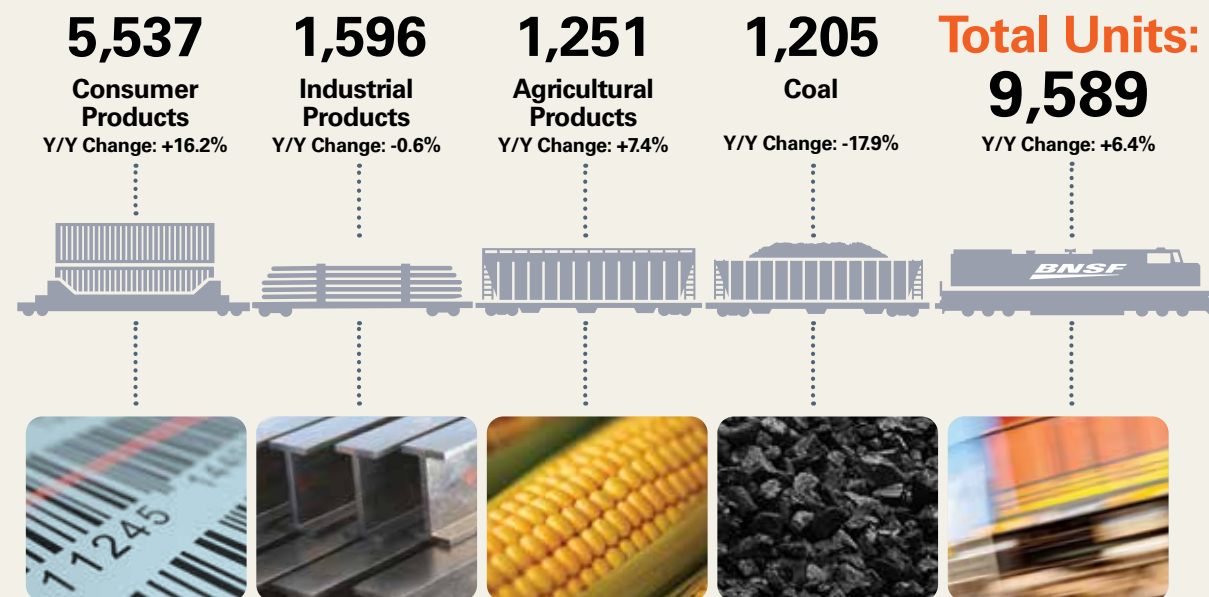

AI algorithms process **35M+** readings from our wayside detectors each day, enabling us to predict maintenance needs and enhance safety.

SERVICE

Every year BNSF makes significant investments to enhance and expand our network to meet the growing needs of our customers for efficient, reliable rail service.

What We Carried in 2024

(thousands of units)

In 2024, BNSF made **\$3.7 billion in capital investments**, including completing a multiyear project to add **50 miles of double track in Kansas**, reducing travel time for some trains by 90 minutes.

2024 service improvements include:

- New express carload service from the Pacific Northwest to Denver and Salt Lake City.
- Introduced Shortline Select Program, expanding customer reach through shortline partnerships.
- 4 new BNSF Certified Sites
- A new Customer Portal making it easier for customers to do business with us.

PEOPLE

At BNSF we support all our team members,
and we strive to make a positive impact in our
communities.

The **average employee tenure** at BNSF is **14 years**.

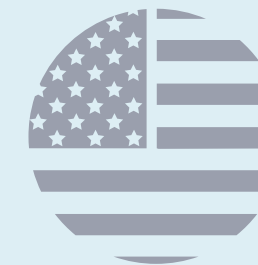

In 2024 BNSF implemented
**new predictable
work/rest cycles** to
support the well-being
of team members.

The BNSF Railway Foundation
gave more than **\$5.9M**
to **worthy causes** in 2024.

Nearly **1 in 5 BNSF
employees** has served in
a branch of the
U.S. Armed Forces.

STEWARDSHIP

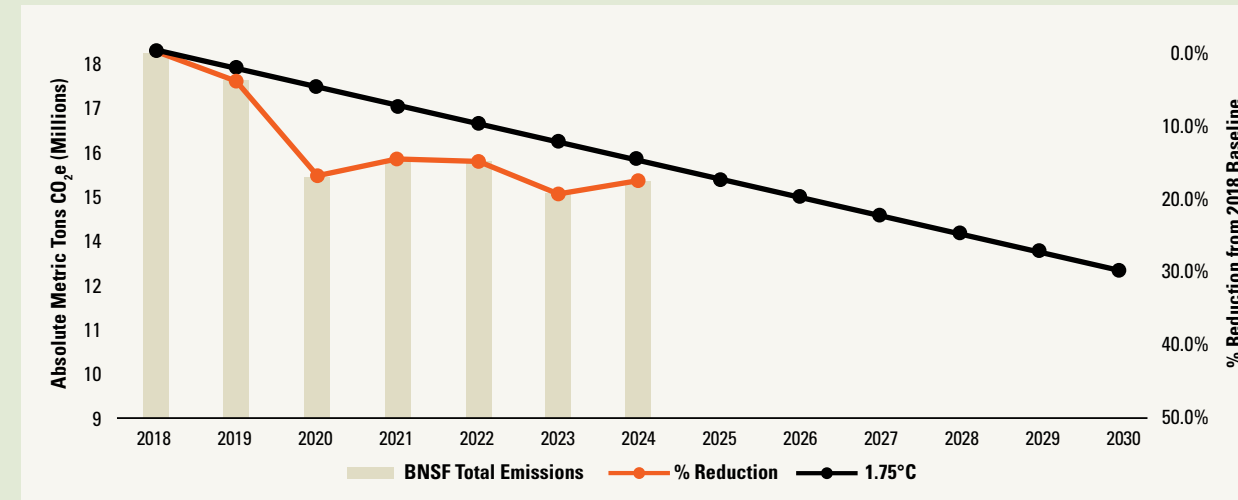

BNSF strives to be a responsible environmental steward and to provide transportation solutions that contribute to the long-term sustainability of our customers and our communities.

Freight trains are **3-4X more fuel-efficient** than their highway counterparts.

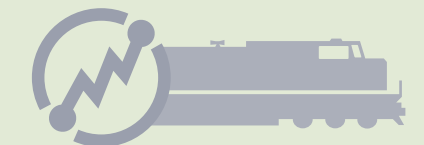

BNSF is committed to **cutting absolute scope 1 and 2 GHG emissions by 30% by 2030.**

In 2024, BNSF continued development of the **\$1.5 billion Barstow International Gateway**, which will help significantly reduce emissions in West Coast ports and **utilize zero and near-zero emission cargo-handling equipment.**

BNSF has **equipped 4,000+ locomotives** with **Energy Managements Systems.**
